

Get health insurance for ALL YOUR CHILDREN!

Dear Parents,

The school district in conjunction with the Children's Health Initiative, want to help every uninsured student obtain health insurance. The programs available can be free or low-cost for all children of low and middle-income families.

Does your child have health insurance?

YES

NO

If your child does not have health insurance, fill out this form and return it to your child's teacher. A school or community representative will contact you to help you with the application process.
