**Dear Families and Community Members,**

**This is the last Connection of the 2015-2016 school year.**

I want to say a heartfelt thank you for giving me this honor and privilege to serve this community and district as superintendent. It has been a tremendous learning year for me. I have enjoyed getting to know members of the community, the families in our schools, the staffs, administrators, and most especially, the students! We

have amazing kids – thanks to the parents who entrust their precious children to us. I truly have been honored to attend and participate in many of the community and school events this year, which also helped me get to know the people who make up this whole school community.

I look forward to the 2016-2017 school year. I know we will continue moving forward and onward as we strive to meet the educational and social/emotional needs of our students. I will be reflecting on the year over the summer and seeking ways to improve my leadership and our effectiveness as a district.

For those of you who have not had the opportunity to join us at a community chat time or one of the Town Hall meetings or LCAP meetings, I wanted to share with you the goals and action plan from our LCAP for next year. A very sincere thank you goes to Curriculum Director Kim Harper for her tireless work on this document with all the stakeholders! We are fortunate to have her expertise and hard work on the LCAP. If you have questions or comments, I would love to hear from you. I can be reached at [colson@sbpsd.k12.ca.us](mailto:colson@sbpsd.k12.ca.us) or at 650 624-3110.

# SBPSD Health Center

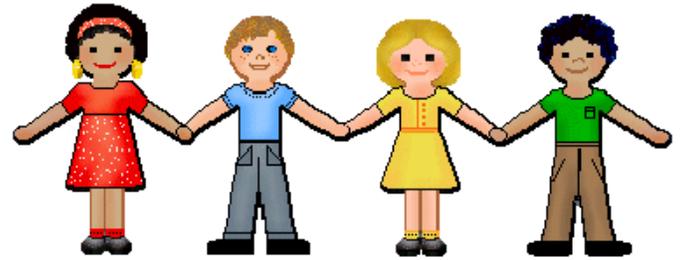

What a fabulous year our SBPSD Health Center has had providing services for our families! It is located just outside of the Belle Air campus and serves all SBPSD families. This year the Wellness Coordinator (Marie Lukehart) has worked on bringing different workshops/programs to the district that encompass health and wellness and the importance of it.

Some of the many programs that were offered this school year include AHA “Kids Cook with Heart” - classes both at Parkside and Rollingwood. “Eat a Rainbow” food tasting was a huge success at Allen, presented by both the health center and the district’s food service team.

Looking forward to the 2016/2017 school year there are many exciting and new health and wellness programs that will be offered around the district. Look out for these exciting new programs:

- San Bruno Lion’s Club vision screenings
- Leah’s Pantry nutrition workshops
- Running Club (every Tuesday) with Superintendent Cheryl Olson and Marie Lukehart
- HOM (Harvest of the Month) a featured fruit or vegetable tasting during lunch time
- “Too Stressed to Think” workshop presented by author Annie Fox

We look forward to next year and all the health center will offer our District! If you have any questions please email Marie Lukehart (SBPSD Wellness Coordinator of our Health Center @ [mlukehart@sbpsd.k12.ca.us](mailto:mlukehart@sbpsd.k12.ca.us)).

## *Human Resources*

We are busy as ever hiring teachers, administrators, and classified folks for next school year. We are impressed with the quality of candidates and know our students and schools will be well-served. As soon as we have hired the final individuals, we will send out the news to all!

Thank you, Jennifer Peponis & Cecille Mendiola

Have a WONDERFUL summer. We will see you all in August. Don't forget that the first day of school is Thursday, August 25.

Thank you again, community, City of San Bruno, and school families and staffs, for your support and for helping us meet the needs of the students we serve. 😊
