## STAR Testing

STAR testing continues until May 11<sup>th</sup>. The kids have so far done a great job giving their all to show what they know. These state standardized tests are given in grades 2<sup>nd</sup> through 6<sup>th</sup>. Please continue to make sure that your children are on time, eat breakfast, and are well rested.

## Open House and Spring Sing

Open House is a great opportunity for families to visit classrooms together and see the great work their students have done. They can also visit other classes and learn about the type of work that their children will be doing next year. The Spring Sing will start at 5:30 p.m. Children should meet in their classes at 5:15 p.m. Open House will take place immediately following the Spring Sing.
