Dear Parkside Intermediate School Neighbor:

San Bruno Park School District and Parkside School Administration and staff have been working to improve the Intermediate School. Parkside has engaged in many positive changes to date and is endeavoring to make further reform. We are proud to bring to you great news. Plans for development of a New Middle School are nearing completion and we would like to share this work and projected timeline with you.

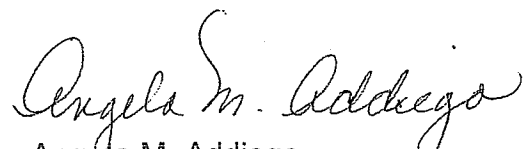

We invite you to a presentation of our plans for new school construction. There will be two meetings for your convenience on Tuesday, January 25<sup>th</sup>, 2011 at 1:30 pm and 6:30 pm in the multi use room.

At present, you are welcome to go on the School District website, [www.sbpsd.k12.ca.us](http://www.sbpsd.k12.ca.us), to get a preview of what the new school looks like. Please know that a lot of thought and attention was given to building a new school. The primary focus of the new buildings will support a strong educational program and the new construction will purposely enhance the real estate value of this area.

We look forward to being able to showcase our new school and give you time for questions.

Sincerely,

  
David E. Hutt  
Superintendent
